INDIAN DEPREDAATION CLAIMS.

LETTER

FROM

THE SECRETARY OF THE INTERIOR,

TRANSMITTING,

In compliance with the provisions of the Indian appropriation act of March 3, 1885, lists of Indian depredation claims filed in the Indian Bureau, and remaining unpaid.

MARCH 16, 1886.—Referred to the Committee on Indian Affairs and ordered to be printed.

DEPARTMENT OF THE INTERIOR,

Washington, March 11, 1886.

SIR: I have the honor to transmit herewith a report of the 10th instant from the Commissioner of Indian Affairs, inclosing two lists of Indian depredation claims, schedule A being a list of claims of citizens of the United States, and schedule B being a list of claims in favor of Indians. An index to each list is appended thereto.

The Commissioner submits this report as a compliance as far as practicable with the requirements of the first portion of the clause on the subject contained in the Indian appropriation act, approved March 3, 1885 (23 Stat., 376), which is as follows:

For the investigation of certain Indian depredation claims, ten thousand dollars; and in expending said sum the Secretary of the Interior shall cause a complete list of all claims heretofore filed in the Interior Department, and which have been approved in whole or in part and now remain unpaid, and also all such claims as are pending, but not yet examined, on behalf of the citizens of the United States on account of depredations committed, chargeable against any tribe of Indians by reason of any treaty between such tribe and the United States, including the name and address of the claimants, the date of the alleged depredations, by what tribe committed, the date of examination and approval, with a reference to the date and clause of the treaty creating the obligation for payment, to be made and presented to Congress at its next regular session * * *.

Very respectfully,

H. L. MULDROW,
Acting Secretary.

The SPEAKER OF THE HOUSE OF REPRESENTATIVES.

DEPARTMENT OF THE INTERIOR,
OFFICE OF INDIAN AFFAIRS,
Washington, D. C., March 10, 1886.

SIR: In pursuance of an act of Congress approved March 3, 1885, entitled an act "making appropriations for the current and contingent expenses of the Indian Department, and for fulfilling treaty stipulations with various Indian tribes for the year ending June 30, 1886, and for other purposes," I have the honor herewith to transmit a list of claims which have been "filed in the Interior Department, and which have been approved in whole or in part and now remain unpaid, and also all such claims as are pending, but not yet examined, on behalf of citizens of the United States on account of depredations committed, chargeable against any tribe of Indians by reason of any treaty between such tribe and the United States, including the name and address of the claimants, the date of the alleged depredations, by what tribe committed, the date of examination and approval, with a reference to the date and clause of the treaty creating the obligation for payment."

It contains about forty-five hundred claims, approximating in amount to about \$15,000,000, and has been prepared as strictly in conformity to the requirements of the act as possible, and is submitted in the form of schedules, A and B, with an alphabetical index appended to each.

Schedule A contains a list of claims filed in favor of citizens of the United States, arranged and numbered to correspond with their respective numbers upon the registers.

Schedule B contains a list of claims filed in favor of Indians, arranged in numerical order from No. 1 to No. 884, inclusive.

Claims numbered 3350 to 3389, inclusive, and those numbered 3798 to 3900, inclusive, being one hundred and forty-three in all, have been filed since the passage of the act of March 3, 1885, and have been included among the claims on schedule A for the information of Congress.

The Department action shown upon the list is such as was had prior to the passage of the act of the 3d of March, 1885. To preserve the numerical order of the claims as they appear upon the office registers, some claims which have been paid are upon schedule A, but in every instance where it is so known to the office it is noted on the list.

Owing to the absence of papers in many cases, the imperfect preparation of others, and the general uncertain and confused condition of the

records, it has been impossible with the most patient and careful investigation to obtain the post-office address of all of the respective claimants, as well as accurate abstracts of other requisite and important facts.

Very respectfully, your obedient servant,

J. D. C. ATKINS,

Commissioner.

The Hon. SECRETARY OF THE INTERIOR.
